NO ORDER TOO SMALL FOR

LONGSTRETH'S SEEDS THAT GROW.

PANSIES.

Beautiful dark-eyed pansies,
Fresh from the garden brot;
With your round, velvet petals,
And faces so full of thot.

No queen has a lovelier gown
Than that which you possess;
And the sun reflects its rays
In your visage calm and blest.

How pretty and neat is your cap
With its ruffles of asure blue.
And your flounces purple & gold
Make a costome becoming to U.

ANNUAL PRICE LIST OF
STANDARD GARDEN and FLOWER SEEDS
FOR THE FARMERS' AND VILLAGE GARDENS.

W. B. LONGSTRETH, HEBRON, OHIO.

LONGSTRETH'S SEEDS WILL GROW.

HEBRON, OHIO, SEED PLANTING SEASON OF 1914.

DEAR FRIENDS AND PATRONS:-It is with much pleasure we hand you our modest price list of a few standard varieties of vegetable and flower seeds. You, no doubt each year receive a number of large, showy, elaborate seed catalogs with beautiful covers and a number of elegant colored plates. Your first impulse, no doubt will be to cast this little price list aside and order from the showy catalog, but wait, I ask you to consider. Who pays for the added expense of the showy catalog? Certainly you help if you order seeds from it. Because a seedsman issues a large showy catalog it is no proof that his seeds are superior to the seeds you find offered in this little price list. I call your attention to the fact that I give 35c worth of seeds in packets (or other premiums see 8th page) for every \$1.00 worth of seeds ordered in packets, and many of the showy catalog firms only give 25c worth for each \$1.00 so ordered.

TERMS:-Cash with the order. Send your remittance by Post Office or Express Money Order or Registered Letter at my risk. One and two cent U. S. postage stamps if received in good condition accepted for fractional parts of a dollar.

Bear in mind I send all seeds post paid at prices quoted.

If you only want one 5c packet do not hesitate to send for it.

While I take all the pains possible to supply the best seeds I (as all other seedsmen) wish it distinctly understood that I give no warrant, express or implied, as to the description, quality, productiveness or any other matter of any seeds I may send out; or that they will produce a crop, as this to a large extent depends upon proper planting, cultivating etc., and causes beyond human control. I guarantee all seeds to reach the customer. All orders filled on above conditions, and sent as soon as possible after receiving the order.

I desire to call the attention of my old customers and friends of my change in address from:

GRATIOT, OHIO, TO HEBRON, OHIO.

Awaiting the commands of my esteemed patrons and friends, both old and new, I remain, Yours Truly,

W. B. LONGSTRETH.
